Surgical Options (Check accept or decline)

	Cost	Accept	Decline
Presurgical blood test for pets <u>under 7 years</u>: Check for proper organ functions, oxygen carrying ability of blood, ability to fight infection, platelets for proper clotting and to establish a baseline for future reference.	\$72.00	<input type="radio"/>	<input type="radio"/>
Presurgical blood test for pets <u>7 years and older</u>: Same as above but includes more extensive testing.	\$109.50	<input type="radio"/>	<input type="radio"/>
Laser: Used as an alternative to the traditional scalpel blade. It seals blood vessels and nerve endings which reduces blood loss and helps to reduce pain, inflammation and infection.	\$46.50	<input type="radio"/>	<input type="radio"/>
Pain Management: Metacam is a liquid medication given once daily for 3 days after surgery to help reduce pain and inflammation.	\$27.64	<input type="radio"/>	<input type="radio"/>
Microchip: A small chip used for identification throughout North America. This is implanted beneath the skin between your pet's shoulder blades.	\$42.50	<input type="radio"/>	<input type="radio"/>
Tattoo: Is placed into the right ear, this form of identification is used only in Regina	\$19.80	<input type="radio"/>	<input type="radio"/>
Elizabethan Collar: Prevents pets from licking or chewing at their incision area	\$9.36-32.38	<input type="radio"/>	<input type="radio"/>
Pedicure: Nails are clipped while your pet is anesthetized.	No Charge	<input type="radio"/>	<input type="radio"/>

Vaccinations: Our clinic recommends all pets have up to date vaccines. This helps prevent the spread of infectious diseases.

I authorize vaccines \$79.90-\$98.75 Core vaccines (Non Core vaccines are additional cost)

My pet is vaccinated

I Decline vaccines at this time

- I authorize and direct the Veterinarians of the Victoria Veterinary Clinic to perform the services indicated above and/or do any other therapeutic procedures that in their judgment may dictate to be advisable for my pet's well-being. The risks and nature of the procedures have been explained to me, and no warranty or guarantee has been made as to the result or cure.
- I hereby authorize and direct the Victoria Veterinary Clinic to provide such additional services for my pet as they deem reasonable and necessary, including, but not limited to the administration of anesthesia and the performance of services involving pathology and radiology, and I hereby consent thereto.
- Fees must be paid before my pet leaves the clinic.
